Jaffe-Personal memos, 1/8/68

"He" has made contact with an extremely valuable asset, as he puts it, when Rose was careful fed through Sheinbaum and the right-wing commantator/

And Sprague has found what I sent him to! I have become sensitive to this because there is so much it likes like someone was inspiring it. Jaffe has seen none of it, therefore " I consider this highly important film". It is the NBC record of their TV broadcasts.
